

A close-up photograph of a hand holding a dark wine bottle. The hand is positioned at the top of the frame, gripping the neck of the bottle. A white, stylized handprint graphic is overlaid on the neck of the bottle, with a white circular outline around it. The background is a blurred, colorful bokeh of various colors including blue, green, and red. The bottle has a white label with yellow borders and a circular embossed logo on the neck.

*Two Hands source premium fruit  
from six of the finest Shiraz growing  
regions in Australia, from which we  
produce the Garden Series.*

TWO HANDS WINES  
GARDEN SERIES

2020 SAMANTHA'S GARDEN  
CLAREVALLEY

Produced from the fruit of up to three distinct sub-regions with vastly different soil profiles. The elevation of these sites give the wine a more natural acidity and provide a natural lively fine-bone profile

Between Adelaide and the Clare Valley the landscape is sea of golden yellow wheat fields, an obvious choice for this label's colour.

**Soil** Grey, silty loam with sandstone sandy loam on clay with slate/Red-brown earth over limestone.

**Vine age** 20-25 years

**Elevation** 200-320m

**Average rainfall** 480-550mm

**Sub district** Armagh, White Hut.

### THE GARDEN SERIES

Fascinated about isolating a wine to its region and wanting to define and showcase the individual characteristics of the best Australian Shiraz growing regions, Two Hands have successfully demonstrated regionality within Australian Shiraz for many years with the Garden Series. Showcasing six wines, each sourced from a premium Shiraz growing region in Australia, all handled identically in terms of vinification and maturation on the Two Hands' estate winery in Marananga, the Garden Series accurately reflects the soil, climate and other aspects of each unique region.

*An elegant style that is typical of the Clare Valley region, characterised by bright lively aromas, subtle fruit flavours.*

### TASTING NOTES:

*Written by Two Hands Proprietor Michael Twelftree in 2022*

**COLOUR:** Deep and impenetrable purple to black.

**AROMA:** A tight bouquet as a young wine, that slowly emerges. Straw, glazed berries, rhubarb, sage and mulberry.

**PALATE:** "The palate is rich and powerful. This is a big wine that winds nicely along the palate. There are layers of deep and creamy ripe fruits that have a lovely energy and persistence.

There is a sweet edge to the fruit profile, I especially like the finish. As the tannins dry out the late palate tannins you are left with a show of a lovely saline texture. This wine is very deep and concentrated for a Clare Valley bottling and will need 5 to 7 years to reach its drinking window, this is where I feel comfortable in saying that it will last for a very long time."

### WINEMAKING

Crushed and fermented in a five tonne open top fermenter with regular pump overs (twice daily) to control fermentation, extract colour, flavour and tannins.

Average time 'on skins' was 10 days before the dry free run juice was drained to tank and the pressings combined. The wine was then racked to barrel, where malolactic fermentation took place. Samantha's Garden was bottled unfinned and unfiltered.

**MATURATION:** Aged for 18 months in 2-6 year old French oak hogsheads, with 15% new French oak.
