

TWO WORLDS
BAROSSA VALLEY SHIRAZ
NAPA VALLEY CABERNET SAUVIGNON
NV

COLOUR

Dense, purple black colour that stains the glass

AROMA

Loads of plum, dusty cinnamon, perfume, smoked herbs backed by lashings of blackcurrants with an amazing purity and lush density, the benchmark for great Cabernet Sauvignon.

PALATE

Big, sweet and coating fruit with very fine tannins continuing to a long and seamless finish. Both Shiraz and Cabernet Sauvignon components float around each other and are perfectly balanced.

The wine will easily cellar for the long term due to the abundance of fruit tannin that will take a long time to flesh out and soften. It will reward with 15+ years in a cool, dark and dry cellar, although there is so much packed in here it may well last longer.

HISTORY

This wine comes to fruition after Michael Twelftree (of Two Hands) and Bob Egelhoff (of Egelhoff Vineyards), whilst having an evening drink, tinkered with some blends on the porch table for fun. This first release turns those humble blends into a reality and probably a world first. The Shiraz component was carefully exported to California in bulk, where it was blended with its Napa Cabernet counterpart and finally bottled. Production was small and subsequently availability is extremely limited.

MATURATION

24 months in 100% new French Oak

WINEMAKERS

Bob Egelhoff & Matt Wenk

BLEND AND ORIGINS

2010 Shiraz
2010 Cabernet

CELLAR POTENTIAL

15+ years

“ QUALITY WITHOUT COMPROMISE... ”
